# Istruzioni per la lettura del listino

instructions for the price list

instructions pour lire la liste des prix

instruciones por la lista de precios

Ad ogni articolo del presente catalogo è stato abbinato un codice numerico denominato "codice prezzo".

Il "codice prezzo" trova sul listino allegato al catalogo il valore corrispondente in euro dell'articolo considerato.

Every article in this catalogue has got a numeric code called "price code". In the price list the price code corresponds to the price in euro of the considered article.

À chaque article de ce catalogue on a attribué un "code prix".

Dans la liste des prix le code prix correspond au prix en euro de l'article considéré .

Á cada artículo de este catalogo hemos dado un "codigo precio".

En la lista the precios el codigo precio corresponde al precio en euro del artículo considerado.

**VEZZOSI**EMPORIO

# 4-75 prodotti

products . produits . productos

Una varietà di prodotti tutti rigorosamente made in Italy:  
una scelta forte e consapevole che tutela la qualità e  
garantisce lo standard di produzione.

A big variety of articles made in Italy to defend and  
guarantee an high standard of production.

Une variété de produits absolument made in Italy: un  
choix fort qui protège la qualité

Una grande variedad de productos made in Italy para  
proteger y garantizar un alto nivel de producción.
